

LabEvent L C/34/40/6 (CO₂)

The test chambers in the LabEvent range are available with test chamber volumes from 34 to 210 liters. The solution for humidity tests with limited space. With a wide temperature range, they are ideal for reproducible tests on small test samples in the fields of research, development and quality control. LabEvent cabinets comply with common test standards such as DIN, ISO, MIL, IEC, DEF, ASTM.

datasheet_headline_highlights

- 컴팩트한 디자인
- 새로운 친환경 냉매 R744 사용
- 낮은 연결 부하/에너지 소비
- 조용한 작동 소음
- 10 – 95 % RH의 넓은 습도 범위
- 귀중한 테스트 재료의 보호
- 스트레스 스크리닝 가능
- 테스트 요건에 따라 맞춤 제작
